- **1995** First R&D activities with "green" refrigerants
- 1983 Incorporation of Austria Haustechnik, AHT
- 1959 Production site of Bauknecht Austria

### technology leadership

**Quality and** 

Acknowledged global quality leader for fully and semi plug-in cabinets, in terms of both build quality and product durability

Plug-in technology leader in terms of energy efficiency, cooling performance and fully "green" product range

#### Customercentric innovation

Continuous introduction of product and technology innovations based on customer requirements

Key account management that ensures customer familiarity and proximity

### Long-term customer relationships

Relationship with all our key customers for over 24 years; we supply most of the top retailers

"Follow your customer" approach

### Global sales and service network

Sales subsidiaries in 14 countries, and a global network of COOLPOINT partners in >100 countries

Use of certified third-party service providers enables AHT to maintain a lean sales and service organisation

#### Fast-reacting, best in class lead times

Industry benchmark in lead times – more than 90% of products available within 8 weeks

We consistently deliver with short lead times – 3-4 weeks

WHAT WE NATURALLY STAND FOR
